APRIL 26, 2025 PICKLEBALL CLINIC DAY

Location: The Dill Pickleball Club 32 Colville Road, Toronto

LEARN TO PLAY FOR BEGINNERS 10:00AM – 11:30AM \$55PP

Join our 1.5-hour introduction to pickleball—an enjoyable and engaging way to learn the fundamentals of this exciting sport! In this beginner-friendly session, we'll cover key skills like grip, stroke techniques, court positioning, basic rules, and the serve and return. The class concludes with a fun mini-game, giving you the chance to apply what you've learned in real-time. This session is just the start of your pickleball journey! All equipment is provided

BEATING BANGERS FOR ADVANCED BEGINNERS 11:45AM – 1:15PM \$65PP

Do you find it challenging to compete against "Bangers" in pickleball? As the game speeds up and becomes more aggressive, it can be tough to keep up with the fast pace. In this 1.5-hour clinic, we'll focus on key skills like improving your volleys, mastering control over the ball's pace, returning serves effectively, and utilizing smart strategies and techniques. You'll gain the tools to regain control of the court and learn how to outsmart and outmaneuver your opponents, no matter how powerful their game is.

3RD SHOT STRATEGIES & SCENARIOS – EARLY INTERMEDIATE 1:30PM – 3PM \$65PP

The 3rd shot in pickleball—whether it's a drive or a drop—is crucial to shaping the outcome of your point. In this clinic, we'll dive deep into 3rd shot strategies and how to handle different game scenarios. You'll learn when and why to execute a drive or drop shot, and how to use them to your advantage in various situations. The session includes focused drills and scenario-based games designed to refine your decision-making and execution under pressure. Final 20 minutes will be spent in mentored game play action helping you to put this new skill to winning success.

DRILL + PLAY VOLLEYS – INTERMEDIATE 3PM – 4:30PM \$65PP

This fun, learning-based clinic focuses on one topic, volleys. You'll learn the proper techniques for different volleys – block, punch, roll – and when and how best to utilize these shots when located in different areas on the court. Handling and controlling pace at the non-volley zone will also be covered giving you the confidence to control the game. Drills and drill-based games will help reinforce the concepts/skills that have been introduced to the participants with the last remaining 20 mins being mentored gameplay.
